

Department of Pharmaceutics and Pharmaceutical Chemistry
M.S. Thesis Defense Clearance Form

Student Name: _____

Important – this form must be signed by both the Graduate Student Advisor and the Department Chairperson before scheduling your defense date. Also, the Chairman of your Supervisory Committee must have read and approved your dissertation before scheduling your defense date.

In scheduling your defense date, please be aware that a spiral bound copy of your dissertation must be submitted to each of your committee members and to the Department Graduate Office (421 Wakara Way, Room 318) at least two weeks before your defense. Also, the announcement of your dissertation defense must be posted to the Department's seminar mailing list at least two weeks before your defense. The Department Office (301 SKH) can post this announcement for you if you provide a .pdf file to them in time.

PUBLICATIONS:

Please list 1 publication from your thesis research for which you are the primary author (typically first author). This publication must be submitted to, accepted by or published by a peer-reviewed journal with an SCI impact factor > 1.0.

1.

JOURNAL CLUB:

Please list the two consecutive semesters that you enrolled in departmental journal club. Also list the title of each journal club.

Journal Club No. 1	<input data-bbox="428 1186 1339 1247" type="text"/>
Journal Club No. 2	<input data-bbox="428 1247 1339 1304" type="text"/>

SEMINAR:

Please list the date and title of a departmental seminar that you presented. A podium or poster presentation at a scientific meeting may be substituted for a department seminar. In such case, please list the citation (Authors. Presentation Title. Meeting Name. Meeting Date.) for your podium or poster presentation.

Seminar	<input data-bbox="428 1545 1339 1606" type="text"/>
OR	
Podium or Poster Presentation	<input data-bbox="428 1667 1339 1749" type="text"/>

COMPREHENSIVE EXAMINATION

Please give the date that you passed your comprehensive exam:

Please request a copy of transcripts and schedule a meeting with the Department's Graduate Student Advisor to ensure all required coursework is complete.

All Departmental requirements have been met; the student is clear to proceed with thesis defense.
