

The University of Utah

Department of Pharmacotherapy

Tenure Track Outcomes Research Faculty Position

Associate/Professor Rank

Department of Pharmacotherapy

University of Utah College of Pharmacy

Salt Lake City, Utah

www.pharmacy.utah.edu/pharmacotherapy/

The Department of Pharmacotherapy is seeking to fill a 12-month, tenure track faculty position at the minimum rank of Associate/Professor within the disciplines of outcomes research including health economics, biostatistics, and clinical outcomes. Applicants must possess an earned doctorate in behavioral research, pharmacoeconomics, health economics, pharmacoepidemiology, or a health services research-related field. An undergraduate or professional degree in Pharmacy is desirable, but not required. The ideal candidate will possess an outstanding research record as well as a strong interest, competence and commitment to excellence in teaching in the professional and graduate programs.

The College of Pharmacy is situated in the foothills of the Wasatch Mountains in L.S. Skaggs Hall, which houses college and departmental offices. The College of Pharmacy is part of the Health Sciences Center which incorporates the University of Utah Hospital and Clinics, the School of Medicine, the Colleges of Health, Nursing, and Pharmacy, the Eccles Health Sciences Library and a state of the art Health Sciences Education Building. The Health Sciences Center offers an environment conducive for interdisciplinary and translational research. The University of Utah College of Pharmacy is consistently ranked in the top five pharmacy schools nationally receiving National Institutes of Health funding for research. The successful applicant is expected to complement the strong research program at the College of Pharmacy.

Qualified applicants should send by mail and email a letter of intent, current curriculum vitae, and the names and addresses of three references to:
